Entertainment Notes for February, 2019

Friday Night:

True Cadence will play again on Feb. 1st. The band is from Roanoke and has played at all the cities' hot spots, ie Billy's Barn, the Q, and Salem's Awful Arthur. This is an awesome band playing a variety of music. One of the best bands to play here!

Pat Cantrell & High Country return on Feb. 8th. Classic Country mixed with Southern Rock and a few current country songs will be the bands forte. Charlie Miller might be appearing again!

Debuting on Feb. 15 is a seven piece group playing without a drum. **Back in Time** features old country at it's best. Come give'm a good welcome.

Expect a really good crowd for the band, **That 80's Show**, from Lynchburg, on the 22nd. Lately the group played as 'Out of Spite', but on this date will be back to playing all 80's rock.

Special Valentines Dinner:

The **Prime Band** plays for the ladies Valentine dinner on the 9th. Ashleigh and Ricky will provide a good variety of music and a good night for some quality dancing. Expect easy going country and rock.
